

Love + Heartbreak

Lyrics Sheet

[Verse 1]

In the shadows, I see your face
A fleeting glimpse, a distant place
Where love and heartache entwine
A bittersweet reminder of what's left behind

[Chorus]

Oh, my heart beats like a midnight sea
Crashing waves, a symphony
For you, my love, I'd drown in the deep
Where the darkness calls, and my heart sleeps

[Verse 2]

In the silence, I feel your breath
A whispered promise, a distant death
Of hope and dreams, that we once made
A memory now, in the shadows played

[Chorus]

Oh, my heart beats like a midnight sea
Crashing waves, a symphony
For you, my love, I'd drown in the deep
Where the darkness calls, and my heart sleeps
