

Memories

Lyrics Sheet

[Verse 1]

Lost in the haze of yesterday
A smile, a glance, and I'm okay
Summer breeze, a childhood friend
Moments I'll hold until the end

[Chorus]

Memories like whispers in my ear
Gentle reminders of love and fear
A bittersweet refrain that I hold dear
In the silence, I'll find you here

[Verse 2]

Fading light on a city street
A whispered promise, a heartbeat
We were invincible, wild and free
Our dreams, a canvas, painted with glee

[Chorus]

Memories like whispers in my ear
Gentle reminders of love and fear
A bittersweet refrain that I hold dear
In the silence, I'll find you here
