

Memories

Lyrics Sheet

[Verse 1]

In the haze of a forgotten night
I see your smile, a gentle light
A fleeting moment, a whispered tone
A memory that makes me feel at home

[Chorus]

Oh, the ghosts we leave behind
Echoes of love, a heart of mine
In dreams, I find my way back
To the moments that we never looked back

[Verse 2]

Summer breeze, a porch swing sway
Laughter and tears, a love that stayed
In the silence, I hear your voice
A whispered promise, a heartfelt choice

[Chorus]

Oh, the ghosts we leave behind
Echoes of love, a heart of mine
In dreams, I find my way back
To the moments that we never looked back
