

Memories + Rain

Lyrics Sheet

[Verse 1]

In the rain-soaked streets, where shadows play
I see your face, in a faded day
Memories of you, they still remain
A bittersweet reminder, of love in vain

[Chorus]

Oh, the rain keeps falling, like tears from above
Washing away the heartache, but not the love
In this endless night, I'm lost and alone
Forever searching, for a place to call home

[Verse 2]

Like autumn leaves, our love has withered and gray
But in my dreams, I still hear your gentle way
A whispered promise, a heartbeat in time
A love that's lost, but still echoes in my mind

[Chorus]

Oh, the rain keeps falling, like tears from above
Washing away the heartache, but not the love
In this endless night, I'm lost and alone
Forever searching, for a place to call home
