

Memories

Lyrics Sheet

[Verse 1]

In the haze of a forgotten day
I see your smile, it finds its way
A glimpse of joy that's hard to define
A memory that's mine, a heart that's aligned

[Chorus]

Like a leaf on a gentle stream
Our moments blend, a dream
Whispers of a love so true
In the echoes, I'll find my way to you

[Verse 2]

Midnight whispers, a summer breeze
Our laughter echoes, a sweet tease
A dance of footsteps, a love so free
A moment's magic, a memory

[Chorus]

Like a leaf on a gentle stream
Our moments blend, a dream
Whispers of a love so true
In the echoes, I'll find my way to you
